Dear Ms. Dean/Ms. Glenn:

The fourth Technical Review Committee meeting will be held at the Naval Air Station Jacksonville Officers' Club at half past twelve on January 30, 1991. The primary purpose of the meeting is to review comments to our Navy Installation Restoration Program Remedial Investigation/Feasibility Study (RI/FS) draft work plans.

You are invited to an informal buffet lunch at the Officers' Club prior to the meeting. The lunch will begin at half past eleven.

If you have any questions or need additional information, please contact Mr. Kevin Gartland of the Public Works Department, Environmental Division at (904) 772-2717.

Sincerely,

JOSEPH G. WALLMEYER  
Director, Environmental Division  
By direction of the Commanding Officer
